

 **Progreso**

ABOUT US

Is a leading regional cement, construction materials, and solutions company, with business units in Construction, Agro, Energy, and Real Estate Development sectors. It is present in 7 Latin American countries: Guatemala, Belize, El Salvador, Honduras, Costa Rica, Panamá and Colombia. We export throughout Latin America and the Caribbean, either through direct operations or investments.

Our flagship brand is Cementos Progreso, a leader in cement and concrete, with more than 120 years of experience.

ABOUT US

Progreso and its companies operate under strict legal compliance and shared ethical values, instituted by its founder, Carlos F. Novella, since its establishment in 1899.

AT A GLANCE

Headquartered in
Guatemala City

Assets:
US\$ 3 billion

Taxes paid:
US\$ 100
million annually
(in Guatemala)

4,000 **direct jobs**
5,000 **indirect jobs**

Our most modern cement plant, “San Gabriel” in Guatemala, is the largest single kiln factory in Central America. Operating under world-class standards, it represents a USD\$1 Billion investment, which is a testament to our long-term commitment to the region.

OUR OPERATIONS

We invested **USD\$329M** when acquiring CEMEX's Salvadorean and Costa Rican operations.

Our company is **certified ISO 37,001** in anti-bribery management systems, as well as **one of the World's Most Ethical Companies, annually since 2014** by the Ethisphere Institute.

ETHISPHERE[®]

2014 - 2022

OUR COMMITMENT TO SUSTAINABILITY

We conceive sustainability as the ability to create long-term shared value, both for the business, as well as for our different stakeholders.

Our sustainability strategy focuses on 4 pillars:

**PREFERRED
EMPLOYER**

**FAVORITE
SUPPLIER**

**RESPONSIBLE
CITIZEN**

**ENVIRONMENTAL
LEADER**

With the corporate purpose of
**«Building together
the country where we all
want to live»**,
we seek to generate economic,
social, and environmental value
in each of the countries where
we operate.
